

HOPE

Childhood Cancer Awareness

All proceeds to benefit **6-year-old Gabriella "Gabby" Rivera**, daughter of RID Officer Roberto Rivera. Gabby has been battling a rare and aggressive form of childhood cancer called DIPG (Diffuse Intrinsic Potine Glioma).

The artwork for this t-shirt was **drawn by Gabby herself**. It is the first picture she drew using her non-dominant left hand, after losing the use of her right hand as a result of DIPG. Please show your support for Gabby and the rest of the Rivera family. Keep Them in your thoughts and prayers.
